

Part I

History of Nareland

Chapter 1

Formation of the island

At the end of the last great iceage, the powerful wash of the glacial runoffs exiting the Scandinavian peninsula carried soil out into the North Sea, where the soil accumulated up against hilly formations north of Scotland to form a bank.

Chapter 2

Early history

Chapter 3

Scandinavian immigrant wave

Part II

Culture of the Narish People

Chapter 4

Names

Narish names are of widespread origins, stemming from native Narish traditional naming conventions, names of Scandinavian and British immigrants, as well as combinations thereof.

Chapter 5

Religion
